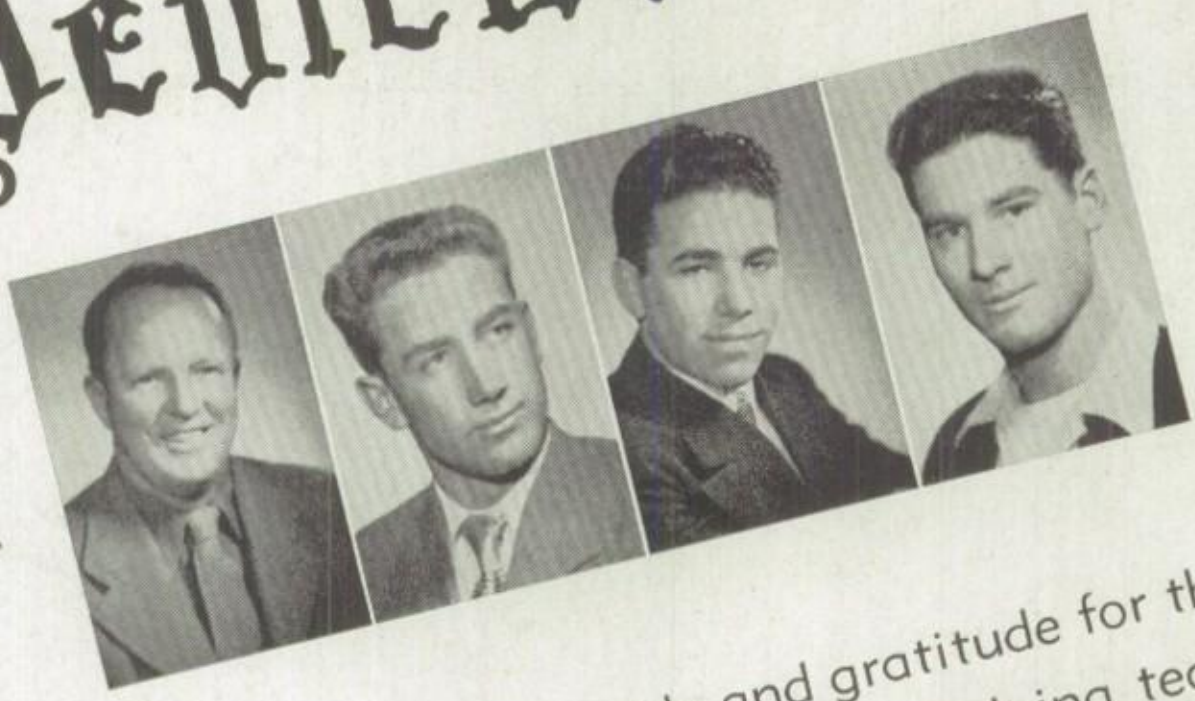
BY STUDENTS OF

TRANQUILLITY UNION HIGH SCHOOL

Dedication



It is with great pride and gratitude for the honor the 1949 FFA livestock judging team has brought our institution that we dedicate The Tule to an able Ag. teacher, William Braun and the three judges: Louis Gragnani, Doyle Barnes, and Wabern Barnes for winning the California livestock judging contest and placing high nationally.

The Staff

Board of Trustees, left to right: Mr. F. Miller, Mr. F. Garrison, Mr. A. Carvalho, Mr. L. Christopher, Mr. E. White.

Legislation

It is the responsibility of the Board of Trustees to maintain and operate the high school. They give, without any remuneration whatsoever, many hours of their time towards the operation of the school.

The students and the community are deeply indebted to them for their continual efforts.

Above: Mrs. Norma Selzer, Secretary

Above: John Dahl, Vice-Principal.

Beside: A. R. Everest, Principal

Administration

One member of the faculty is designated as the principal whose duties are no more important than any of the other faculty members. As the principal he is the secretary of the board of trustees and the liason officer between the board, the faculty, and the students. It is his job to advise the board regarding the school conditions thus enabling them to make decisions establishing a logical policy of operation for the school. The principal is expected to help the teachers and the students with their daily problems.

Sufficient courses of study are offered to meet the needs, abilities, and interests of the student body in so far as the board considers it economically advisable to establish such courses. Three courses of study are offered: college preparatory, vocational, and general.

Tranquillity Union High School is an institution designed to meet the needs of the boys and girls of the community. It is not something forced upon the students. Attendance is a privilege, not an obligation.

The administration appreciates the fine spirit of cooperation with which the students have accepted their privilege and a continual effort is being made and will continue to be made to build up a school that will provide the pupils with the factors of development that will enable them to appreciate and live the "American Way of Life."

It is the purpose of the Annual Staff to attain a working knowledge of organizing and assembling a yearbook; to show the responsibility involved as to democratic and honest treating of collected material, handling of finances, filing materials, answering correspondence; to promote appreciation for the possibilities of printing and engraving as a means of livelihood.

In fulfilling the above objectives the class elected a suitable staff which proceeded to apportion tasks. Ideas for original designs for each page were submitted and voted upon by the staff and the winning entry was used for the present TULE. All division pages, the title page and the cover were designed by the staff and perfected by Edwina Carvalho and Dan Hayes of the art class. In addition to the art class, the leaders of the various clubs and the faculty contributed information generously and Mrs. Norma Selzer was very cooperative in helping the students type and mimeograph forms.

Special thanks go to Mrs. Elizabeth Ruch, whose helpful suggestions and dynamic assistance greatly contribute to any merit which this record might possess.

CLASS HISTORY

The first united action of the freshmen of '47 was choosing the following officers: President, Billy Giaconi; Vice President, Bill Humphers; Secretary, Edwina Carvalho; Treasurer, Franklin Hansen; Advisor, Mrs. Muriel Sample. The 1947 freshmen were the last group to be initiated. The return party for the sophomore class late in spring was the big social event of the year.

In the first class meeting of the year '48 the sophomores chose Joseph Martin, president; Bill Humphers, vice president; Guy Shirley, secretary; Franklin Hansen, treasurer. Mrs. Voria Shreve and Elizabeth Ruch were sponsors. The party given to the freshmen, in lieu of initiation, followed an afternoon of competitive games between the two classes. Two dances, sponsored by this class, were given to which the student body were invited.

Lily Quintana was elected president; Viola Churchill, vice president; Edwina Carvalho, secretary; Billy Giaconi, treasurer; Mr. John Peters, sponsor. These officers were elected at the first class meeting of the juniors. Lily Quintana and Viola Churchill were elected cheer leaders. The school attended the first post-war Fresno County Fair. A series of successful dances, the magazine sale, helped build up the class fund for the costly prom, the highlight of the year. "A Date With Judy," a three-act play, with Dottie Crabtree as Judy Foster and a supporting cast gave an admirable performance. This play had a greater box office return than any other play previously given at TUHS. Powder blue sweaters, and class rings assisted in inflating the ego of the juniors. The class boasted two successful "C" team County Champs—Joseph Martin and Billy Giaconi. The weiner roast at Mendota Dam, and the Valentine Dance were two other outstanding events. Doyle Barnes and Barbara Leonard were the blushing sweethearts who reigned over the latter. The crowning achievement of the year was the Junior-Senior Prom, planned around the theme "heaven." This is the first prom danced in "almost total darkness," thanks to a thunderstorm. At the Y-Teen carnival the class had two popular booths, the Marriage and Divorce Courts, engineered by Jerry Douglas. Derl Keen was selected to represent TUHS at Boys State; Winifred McGinnis, at Girls State. Winifred won a $100 scholarship for her radio skit entered in a contest sponsored by the Nurses Association of Fresno.

The senior class responsibilities were assumed by President, Wilburn Miller; Vice President, Anita Palacios; Secretary, Edward Duenes; Treasurer, Alice Rodriquez, Billy Biaconi was elected senior representative at the student council. Mr. Peters was sponsor. The senior play, "Almost Eighteen" was the most outstanding event of the first semester. Guy Shirley was the lead. The seniors took part in the Christmas Play and the two one-act plays given in January. The snow trip at Yosemite was held in January. The second semester brought the Senior Class Day spent at Fresno State College in viewing the plant; the senior Career day at Reedley, and Sneak day. At the commencement exercises Anita Palacios was the Salutatorian, and Derl Keen, the Valedictorian.

The California Scholarship Federation rose from seven members the first semester of 1949 to fourteen the second semester. As the name indicates the requirements for membership are superior scholarship as based on exponents derived from grades.

Delegates attended the fall and spring district conference at Fresno and Selma. The officers for first semester were Winifred McGinnis, Aina Johnson, and Bernice Carvalho. The second semester's officers were Billy Giacone, Darrell Fletcher, Joseph Martin, Wabern Barnes, and Helen Snyder.

Press

Hi-Lite, the school newspaper, is published bi-weekly by the journalism class. This course is designed to give the student a better appreciation of the place and function of the newspaper in modern life, and provides motivated work in written composition. The staff is trained to find, to write, and to edit enough good copy, to write headlines and make each issue of the paper attractive.

The Hi-Y, being a youth group under the sponsorship of the YMCA, prides itself in furthering the ideals of Christianity and Christian Fellowship through the democratic association of all creeds in mutual tolerance.

Through its many activities, the Hi-Y combats prejudice of all descriptions and bases its correction of erroneous beliefs by furnishing members with the facts.

Charity, both in wordly goods and mental attitudes, is vigorously upheld and applauded in the ideals and practices of the Hi-Y

Youth problems and their needs are solved through rational procedures by the efforts of the youths themselves in acquiring the services of experts to discuss these problems and needs with the young people.

The club sponsored a Sadie Hawkins Day Dance, a magician show, "Girl of the Month," and a Father and Son Banquet. Officers attended the Officers' Training Conference, in November, at Sequoia Lake, and one representative was sent to the Youth and Government at Sacramento in the Spring.

Typing, Bookkeeping, Shorthand Association

The typing, Bookkeeping, Shorthand Association is a luncheon organization which meets every two weeks.

The Club backs the commercial contests by buying awards for the winners of monthly tests, and also the speed awards in shorthand and typing.

This year the members made football programs for two football games.

Each year the club takes field trips to business places in Fresno to see at first hand the transaction of business. This year the club plans to visit the telephone building, and retail stores where both salesmanship and office work can be observed.

Future Homemakers of America

The Future Homemakers of America came into being through the cooperative efforts of pupils studying homemaking in secondary schools to build a national organization of their own in which they may develop social qualities and promote better home life for themselves and their families. Through social activities, educational programs, service projects and money-making activities they have become an integral part of the home economics program.

Although the Tranquillity High School Tigers dropped all their football games but one in 1949, the picture for 1950 is much brighter than it was at the beginning of the season of '49. Players for all the positions will be back next year except Doyle Barnes, stellar right half and Captain Derl Keen who played brilliant ball as left guard for the Blue and Gold. Thus the Tigers will field almost the same first string line-up as represented them this season except that the boys will have had much more experience than heretofore.

The team showed good spirit and fine sportsmanship, for which the boys deserve great commendation.

The Tiger Class A Team wound up the season in a blaze of glory by defeating the front-running Parlier A squad in a nip and tuck game, 49-48. All other Tranquillity squads were victorious that night. The victory gave the team a 3-5 record for the season in league games. Bill Humphers, stellar forward and Doyle Barnes, dependable guard are the only losses by graduation.

The middle-sized basketeers came from a slow start in practice tilts to a 1.000 in the League standings to win the Sierra title. Kerman took the County Championship from the Tiger B's by one point in a closely-fought contest. The team consisted of most of the 1949 championship "C" Tigers players plus several excellent players from that year. They were valiant in defeat for the County Championship as they were in winning the League.

Edward Smiley captained the squad through its successful season. A team vote showed Edward Smiley, Joseph Martin, and Richard Knight tied for the most valuable player.

The start of the 1950 baseball season was delayed by the lengthened basketball season. Nevertheless, the Tigers met Sierra with only a week of practice and were able to bang out a 16-4 win. In the second league game Tranquillity defeated the front running Laton Mustangs 9-4. Then came a defeat at the hands of Parlier 11-1 but the boys bounced back in the title contention by trimming first place Caruthers 10-5. In the final game of the season, however, Riverdale took the Tigers 18-1. The defeat left Tranquillity in a tie for second with Caruthers winning the championship.

Doyle Barnes and John Camarena, both outfielders, will be absent from the team next year because of graduation.

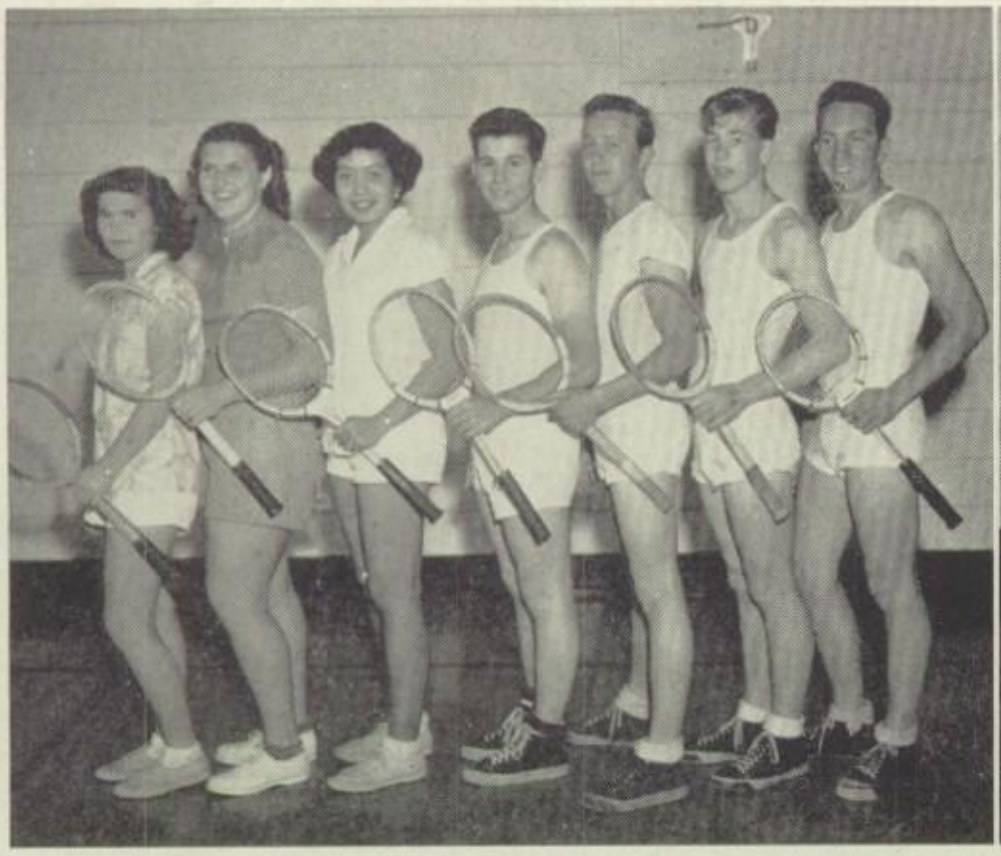
Track

The T. U. H. S. track men capped the 1950 season by winning the Class "C" championship of the Sierra League in Ratcliffe Stadium on May 17, 1950. The "B" track team placed second in the final meet. The teams attended the following meets during the season: The Dos Palos Invitational Track and Field Carnival, the Sierra Division County Meet at Kingsburg, the Sierra Division Valley Meet at Lemoore and the Sierra Division League Meet.

Billy Prater, dynamic and versatile class "C" performer along with Dan Hayes, brilliant "B" class sprinter and hurdler were the big guns on the Tiger track team. Bruce Harralson was the outstanding "A" man. Prater, in the big valley meet, tied for first in the high jump, took second in the pole vault with a leap of 10' 7" and took second in the 108 low hurdles, thus qualifying for the Central Section Finals at Madera in all three events. Hayes won the valley 100 yd. dash in record equalling time of 10.4 seconds, also qualifying. At the time of this writing the Central Section Finals Meet at Madera, in which only the top athletes compete, had not yet been run off. With two such fine performers in this classic, the Tigers wrote a fitting climax to the 1950 season.



Lettermen: Betty Jefferson, Almeta Shelton, Anita Palacios, Billy Gianconi, Edward Nolan, Bill Sawyer, Lee Nolan.

Beginners, Kneeling: Wanda Miller, Winifred McGinnis, Norman Ayers. Standing: Geraldine Ray, Mary Jo Berry, Carla Pittman, Shirley Herman.

Tennis

Although the 1950 tennis team was unable to compete in league competition because the courts were not erected, the lettermen from 1949 are recognized, and Mr. Ruch, their coach, is duly proud of them, as he is of the coming stars who will use the new courts.

Mr. John Dahl, Instructor

"On mat" Coach John Dahl, Reymundo Jacques, Hershell White, Noe Lopez, Dan Hayes; "wrestling," Earl Morgan and Richard Smith; "Standing": Ralph Piatt, Lawrence Dickens, Franklin Hansen, Jack Applewhite, Billy Deal, Marvin Arcelus, Ignacio Silva, Perfecto Navarette, Donnie Elms, Darrell Fletcher, Mike Estrada.

Wrestling

As Coach John Dahl launched his veteran grapplers into their second year of wrestling, having introduced it to T.U.H.S. in 1948, and welcomed the new grunters he and his charges brought additional honors to our noble institution by competing with the larger schools of Fresno with moderate success. The local sons showed that in the event wrestling is included in the league sports schedule, old Alma Mater will definitely contend for the kudoes.
